No 18. Term 4

Dear Parents, Teachers, Students and Community,

Welcome to Week 6

ASSEMBLY

This Friday the school Assembly will be presented by Area 7 and Area 8. Parents are welcome and the Assembly will commence shortly after 8.40am.

INTERSCHOOL ATHLETICS

The SCISA Interschool Athletics took place last week, with the main carnival held on Thursday. Our Oberthur students performed very well and ended the carnival in 2nd place. Congratulations to all members of the team. Thanks to Mr J, Mrs Waugh and all staff members and parents who assisted.

BOARD MEETING

The next School Board Meeting is tonight, Tuesday 14th November at 7.30pm.

WINNERS!!!

Ten Oberthur students took part in the "Write a Book in a Day" competition recently, which was coordinated by Mrs Grant.

I am very pleased to announce that the team won the 2017 Best Book WA Primary School Division with "The Race to the Emerald".

Thanks to Mrs Grant and other staff helpers and congratulations to the WOOPS Team.

MUSIC EVENING

Next Wednesday, 22nd November at 6.30pm in the Undercover Area there will be a Music extravaganza involving the Instrumental Music students and the Choir. Mrs Richards and Miss Mackay are coordinating the evening. It's always terrific to see the talents of Oberthur students on display.

CONNECT

Student reports will be loaded into 'Connect' on Monday 11th December. Parents will be able to access their children's report through their Connect using their password. Reports will not be printed. If any parents have concerns or are experiencing a challenge in accessing Connect please contact us.

COMING EVENTS

School Board Meeting	7.30pm	Tues 14 Nov
Assembly – A7 & A8	8.40am	Fri 17 Nov
P&C Meeting	7.30pm	Tues 21 Nov
Music Evening	6.30pm	Wed 22 Nov

Edu-Dance Assembly and Awards	8.40am	Fri 8 Dec

We suggest that parents download the 'Connect Now' app for your phone so that we can send notifications to you. If any parents experience difficulty logging in to "Connect" please contact us for assistance.

P&C MEETING

There is a P&C Meeting scheduled for Tuesday, 21st November at 7.30pm in the Staff Room. All parents are welcome.

DOGS NOT ALLOWED

This is another reminder about not bringing dogs to school when you bring your children. Last week a parent brought their dog along with their children to drop off at school and the dog bit another parent. This highlights the dangers and the reason we cannot allow dogs on or near the school premises due to the safety risk. The students are our priority. Please note: In addition, dogs are not to be let off their lead on school grounds at any time.

PARKING

Unfortunately I have to report that a parent parked their car across the driveway to the gardeners shed and school bins. The road directly in front of the driveway clearly indicates no parking. The driver of the white Kia Carnival needs to take note of the signs and directions.

LOST PROPERTY

We have accumulated a collection of lost clothing, hats, lunch boxes and water bottles. Please check the basket in the undercover area.

ANAPHYLAXIS

Parents, please avoid sending peanuts, peanut paste and all tree nuts to school in lunches, cakes and

other food products. For some students with high sensitivities, just being close to such items can invoke an allergic response. If you are in doubt please check with your child's teacher in the first instance. Thank you all for your cooperation in this important area.

EARLY CLOSE

Parents please remember that each Wednesday is early close and school will finish at 2.30pm. Students not being picked up at 2.30pm will be supervised in the Library. Parents, if you are held up or late for any reason, please pick up your children from the Library. After 3.10pm students will be in the Office. Students who are with their parents after school must stay under the close supervision of parents or will be sent to the Library.

EARLY ARRIVALS

Any students who arrive at school before 8.25am must sit quietly on the benches outside the staff room until it is time to go to class at 8.25am.

** Parents, please ensure **students do not come to school prior to 8am**, unless it is for a school event.

VISIBLE LEARNING

Oberthur Primary School is on the journey to becoming a Visible Learning School.

What is the Oberthur Big Six? These are the learner characteristics or dispositions of a lifelong learner and when applied, support the learning process.

In this newsletter we will take a closer look at:

Collaborates and Cooperates

Students from Year 1 to Year 6 were asked what this means to them, here are some of their responses:

Help

Include

Share

Encourage

Team work

Listen

Positive

Communicate

Contribute

Be Involved

It's good to remember our own learning is enhanced by the contributions of others.

THE NEXT VIRTUE WE WILL BE WORKING ON:

CARING:

Caring is giving love and attention to people and things that matter to you. When you care about people you help them.

WATER WISE PROGRAM

Fix leaking taps and toilets

Fixing a leaking tap or toilet is usually simple and a licensed Waterwise Plumber can do the job. These leaks can waste up to 10,000 litres of water a year.

 WATER EDUCATION

READING BOOKS INFORMATION

Our community library boxes are near completion. One will be located on Nicholls Crescent and one on Oberthur Crescent. We are asking for book donations to start off this valuable community project. Community members will be able to use the boxes to bring a book and take a book. Any donations would be greatly appreciated. Please drop your books in the container at the main office.
